Verse 1

By Your mercy, I am standing
By Your blood I have overcome
By the power in Your name I'm raised to life

Where Your Spirit is, there is freedom
Heaps of ashes made beautiful
By the wonder and the work of Your design

PreChorus

Where can I go from Your spirit

Chorus

You're everywhere, always there
You go before, You stand behind
You're everywhere, always there
You see it all and still abide
